

Do you need a fully equipped meetingroom for a managementtraining or for a businessmeeting in Brussels?

Our meetingroom is equipped with an LCD projector. It is located near a metro station and there is plenty of free parking space. The location is easy to find, even for people who don't know Brussels.

And last but not least, the price is affordable.

Our price:

CALL

About AtomiSoft

We specialize in software development in MS Access. We are no consultants, but specialists in MS Access. When our PC trainingroom or our meetingroom is available, we rent it to others.

If you want a brochure about the rental of our PC trainingroom, or about our programming services, gives us a call.

... and we also rent ICT training rooms ...
