1020 Brussel

Once on the large ring of Brussels, follow the signs **EXPO**. Take the exit **7 BIS, EXPO** (do not take exit 7) and follow the signs *Romeinse Steenweg/Chaussée Romaine*. When you reach the *Romeinse Steenweg/Chaussée Romaine*, turn left and follow the signs *Atomium*. Drive to the Atomium and at the end of the large lane, the *Eeuwfeestenlaan/Blvd du Centenaire*, you will find a traffic light, turn right here. AtomiSoft is located in the building with the yellow facade, in front of the church.

Our offices are easy to find, but should you get lost, there are 'Expo - Atomium' signs about everywhere in Brussels. Just follow them.
